Spirit Week

—Punk Rock Runs Rampant—

Mrs. May tries to recapture the 50's.

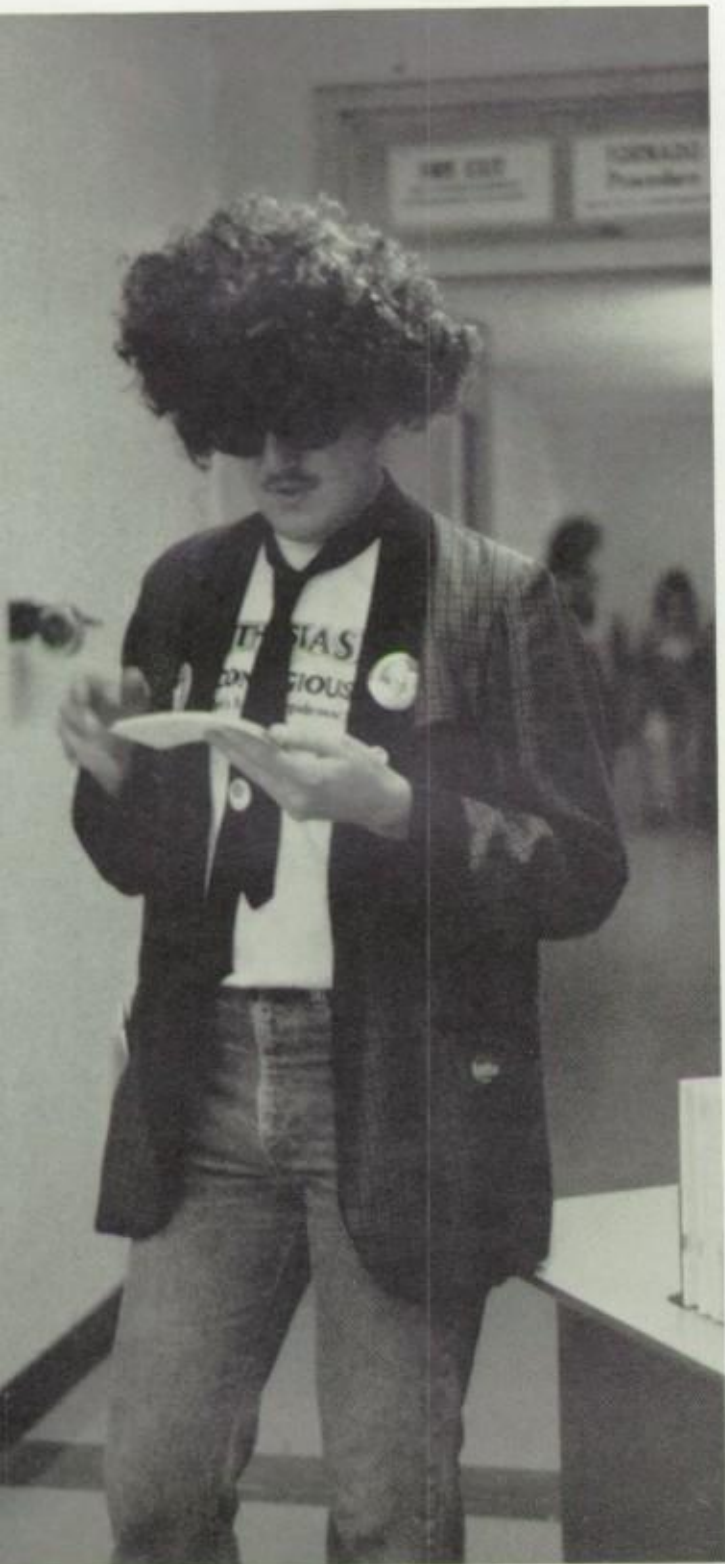

The spirit soars at Rocket pep rallies!

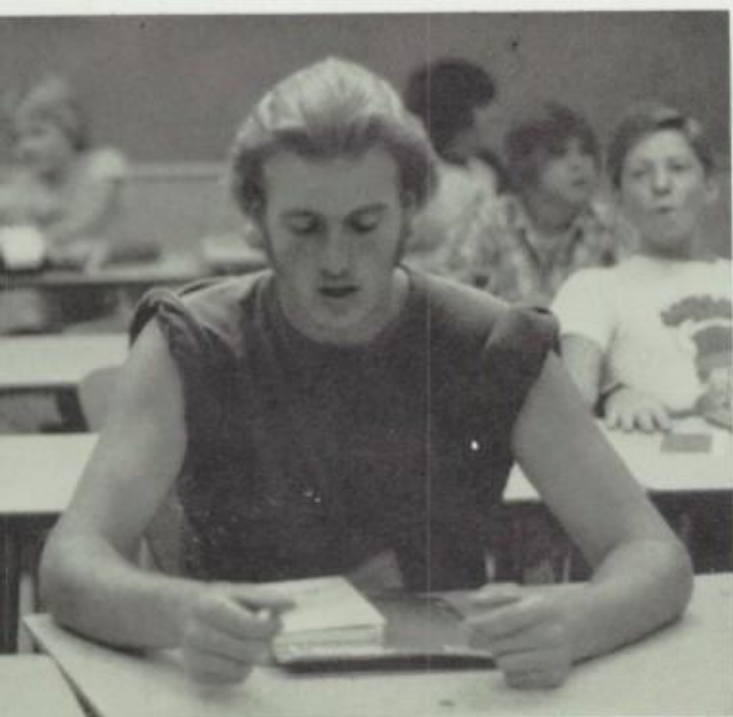

Spirit Week has become a tradition for the week preceeding Homecoming each year. Each day has a different theme: such as Punk Rock Day, 50's Day, "We Love Our Team" Day, etc. This helps generate enthusiasm for the hall decorating contest, float competition and, of course, the Homecoming football game and dance.

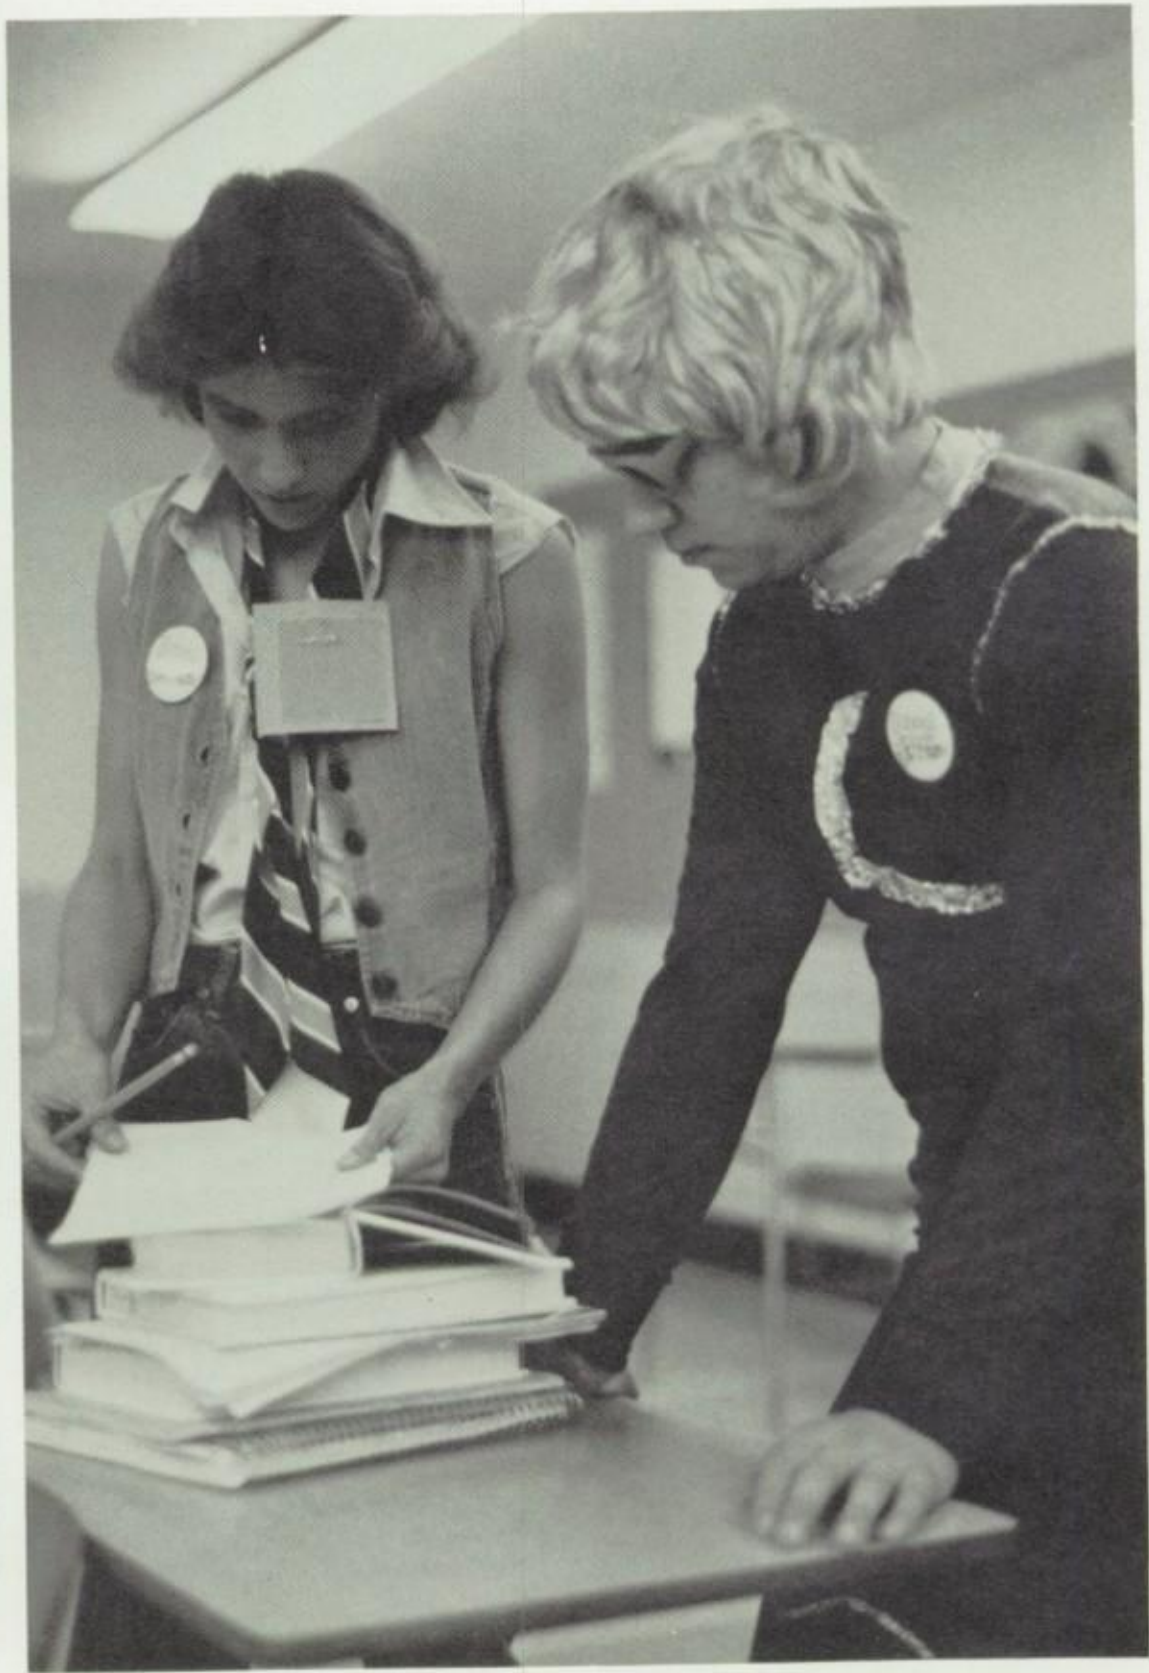

Barb Shadonix tries to sneak a snack.

91.5 FM WSTB

Portage County's leader of the past, WSTB, not only got a brand new look this year, but also a new station manager. Stepping into fill Steve Foltin's shoes is Bob Long, formerly of WKNT. Along with him came a lot of changes for Streetsboro's local radio station, such as an updated format to give the station a fresh look and broadening the scope of the broadcasting class to include training in the television media. The old WSTB logo got a new look this year too. Associate News Director Ray Veon, in cooperation with Bob, drew and designed the new logo incorporating the revamped "Sound of Gold" format into it. The station also switched news networks, to bring the upbeat RKO News into the WSTB fold.

One of the highpoints this year was WSTB's coverage of general election night in November. News Director Chris Adkins and Program Director Jim Michniak, with juniors Lee Myers and Herb Gillespie, were stationed at election headquarters, informing the audience of election returns as they came in. Meanwhile, stationed back at the studio, Jim Bado and Rick Boardwine kept the show going throughout the night, assisted by Ray Veon's various political commentaries. Although most of the crew was up till 3:00 a.m., all their hard work paid off- WSTB was

the first radio station in the county to broadcast the final election returns.

The Broadcast II class, composed of seniors, does the actual running of the station. They are the ones heard throughout the year, anchoring their various shows, until the juniors in Broadcast I take over in the late spring. Working together, the entire WSTB staff brings the community Fri-

taping of NBC's "Love, Sidney" show and "The David Letterman Show." Lee Myers became the first, and only, junior this year to anchor his own regular show, and then went on to become the Assistant Operations Manager. Later in the year, the WSTB staff presented the movie "AIRPLANE!" and sponsored a Jr. High dance. It was a very eventful year!

day Night Rocket Football during the fall, then they switch gears in the winter to bring their listeners Rocket Basketball.

Several other events happened this year as well. Bob Long, along with four members of the junior class, attended a broadcasting convention in Washington D.C. last March. Then, during spring break, Bob and two seniors travelled to New York City, and among other things, were present at a

FTA, FNA

Looking To The Future

Even though this was the first year for FNA (Future Nurses of America) they were very active. Among their many activities were three tours at the University Hospital and an eight hour CPR course. They also did Easter projects for the Pediatrics Ward of Robinson Memorial Hospital, the Portage County Nursing Home and the Hattie Larlham Foundation. They also attended some tours and fairs about the nursing career. Miss Lynn Artl, Advisor; Robin LaBant, President; Maureen Croyle, Vice President; Pam Hare, Secretary; and Jackie Shuttenberg, Treasurer. Top members were Jackie Shuttenberg with 120 hours of volunteer work, and Regina Barnard with 60 hours of volunteer work.

The FTA (Future Teachers of America) has grown to become one of the largest organizations at SHS. Among this years activities sponsored by the FTA were the Christmas dance (The Snow Ball), the Sadie Hawkins Dance, and teaching Sunday school at area churches. The top members were Barb Shadonix, who accumulated 445 hours of volunteer work, and Jackie Shuttenberg, with 413 1/2 hours. Kathy Lawson, Advisor; Michelle Swiger, President; Lori Webb, Vice President; Dana Lawson, Secretary; and Melinda VanHorn, Treasurer.

The Drama Society, after a shaky start, pulled together in time to present two short Christmas skits to an area 4-H club and Nursing Home; presented a one act play, "One Happy Family," to the Streetsboro Boy Scouts' Blue and Gold Banquet, and mounted a major production of the hit comedy "Toga! Toga! Toga!" In between these accomplishments the society also found time to sponsor a "Toga Dance" and "Toga Day" as well as other theme days. In addition, five members of the Society, Advisor Mr. Bob Douglass, Kim Koza, Stephanie Szabo, Ray Veon, and John Hobson, attended a Drama Workshop at K.S.U. It was quite a busy and successful year for the Drama Society.

President Kim Koza and Vice President Barb Shadonix once again try to walk all over Treasurer Ray Veon, as Jill Stratton, Secretary, looks on indifferently. Not Pictured are Advisor Mr. Douglass, and public relations and Historian officer Stephanie Szabo.

Drama Society Presents Third Dinner-Theater

The SHS Drama Society's production of Tim Kelly's "TOGA! TOGA! TOGA!" is farce at it's best. The action of the play centers around Alpha Beta House, an illegal high school fraternity, and its founding member, George Brewster III. Apparently, George inherited the A.B. House from his uncle, and in order to pay the mortgage, must take on a variety of renters. There's Madame Stella, a gypsy that tells fortunes in the basement; an old baglady who prints counterfeit five dollar bills; and a boxer whose sparring partner is a kangaroo. Not only does George have to contend with these characters, but also the school principal, the A.B.'s advisor, a snooty neighbor, and the Health Department. Then, of course, there's the A.B.'s arch rival, the "official" school fraternity, and their snobbish president. Between the mad hysterics on stage and the laughter coming from the audience, it was evident that everyone had a good time.

"... and then the water went off-while I was taking a shower!" Dave Harris tells the A.B.'s the "bare" facts. (far left)

"I know-I'm so handsome!" John Hobson (over) acting. (left)

"Come on, Hoppy, they're having a party!" Slugger (Paul Rupp) attempts to take his kangaroo to a party, while the rest of the cast looks on in horror.

Student Council

On The Move In '82

The Student Council decided at the beginning of the year to try to get the student body more involved with the school and community. They tried many activities to accomplish this goal. Included in these were a canned food drive, a toys for tots program, and a marathon dance for the Mrs. Barbara Catley Fund. Also they wanted to achieve a higher level of school spirit. To do this, Student Council and the cheerleaders combined efforts, and came up with many good ideas, such as spirit week, more class competition during pep rallies, and link sales, just to name a few.

Student Council also continued to do many activities such as sponsoring the Homecoming Dance, the float competition, and other activities surrounding the Homecoming football game. They also went Christmas caroling at the Portage County Nursing Home.

Academic Challenge

SHS's Fast Thinkers

For the second consecutive year Streetsboro High has sent its fastest thinkers and practitioners of instant recall to "Academic Challenge," The WEWS Channel 5 television show. This year Mrs. Janet May was the team advisor, but Mrs. May is anything but new to coaching Academic Challenge teams. She has been either an advisor or co-advisor to Academic Challenge since Streetsboro started participating on the show.

But this years team members needed little coaching from Mrs. May as a roll call of the team testifies: 1982 Co- Valedictorian Herb Gedeon, Math Wiz Steve Kovach, and second year participant Ray Veon, ably backed up by alternates Bruce Shaffer, (also a 1 year participant of the show), John Woodard, and assisted by sophomore Les Waite.

There was strong competition between the three teams and Streetsboro, cheered on by their spirited supporters, made a strong showing.

Yearbook . . .

Every year, a handful of students perform a seemingly impossible task-publishing a 160 page hardcover book . . . called the "Golden Key". The cost of this operation is usually between \$6,000 and \$7,000 per year. The money is raised by selling ads, patrons, and orders for yearbooks. Students write all copy, and take and develop almost all of the candid photographs. Incidentally, there is no yearbook class-all the work is done on a volunteer basis! In spite of these "odds" the Golden Key received a second place rating from the Great Lakes Interscholastic Press Association.

Volleyball:

The Volleyball team broke even in the PCL, with a league record of 8-8, and that, along with their enthusiasm and spirit, is definitely something to cheer about! This years All-PCL player was Cheryle Pasket, who was also the Most Valuable Player for the Varsity season; Donna Komara, of the Junior Varsity team was their Most Valuable Player. The Most Improved Player for the Varsity team was Cindy Cross, and the Most Improved Player for the Junior Varsity team was Cindy Komara.

Wrestling

A Good Year For A Great Team

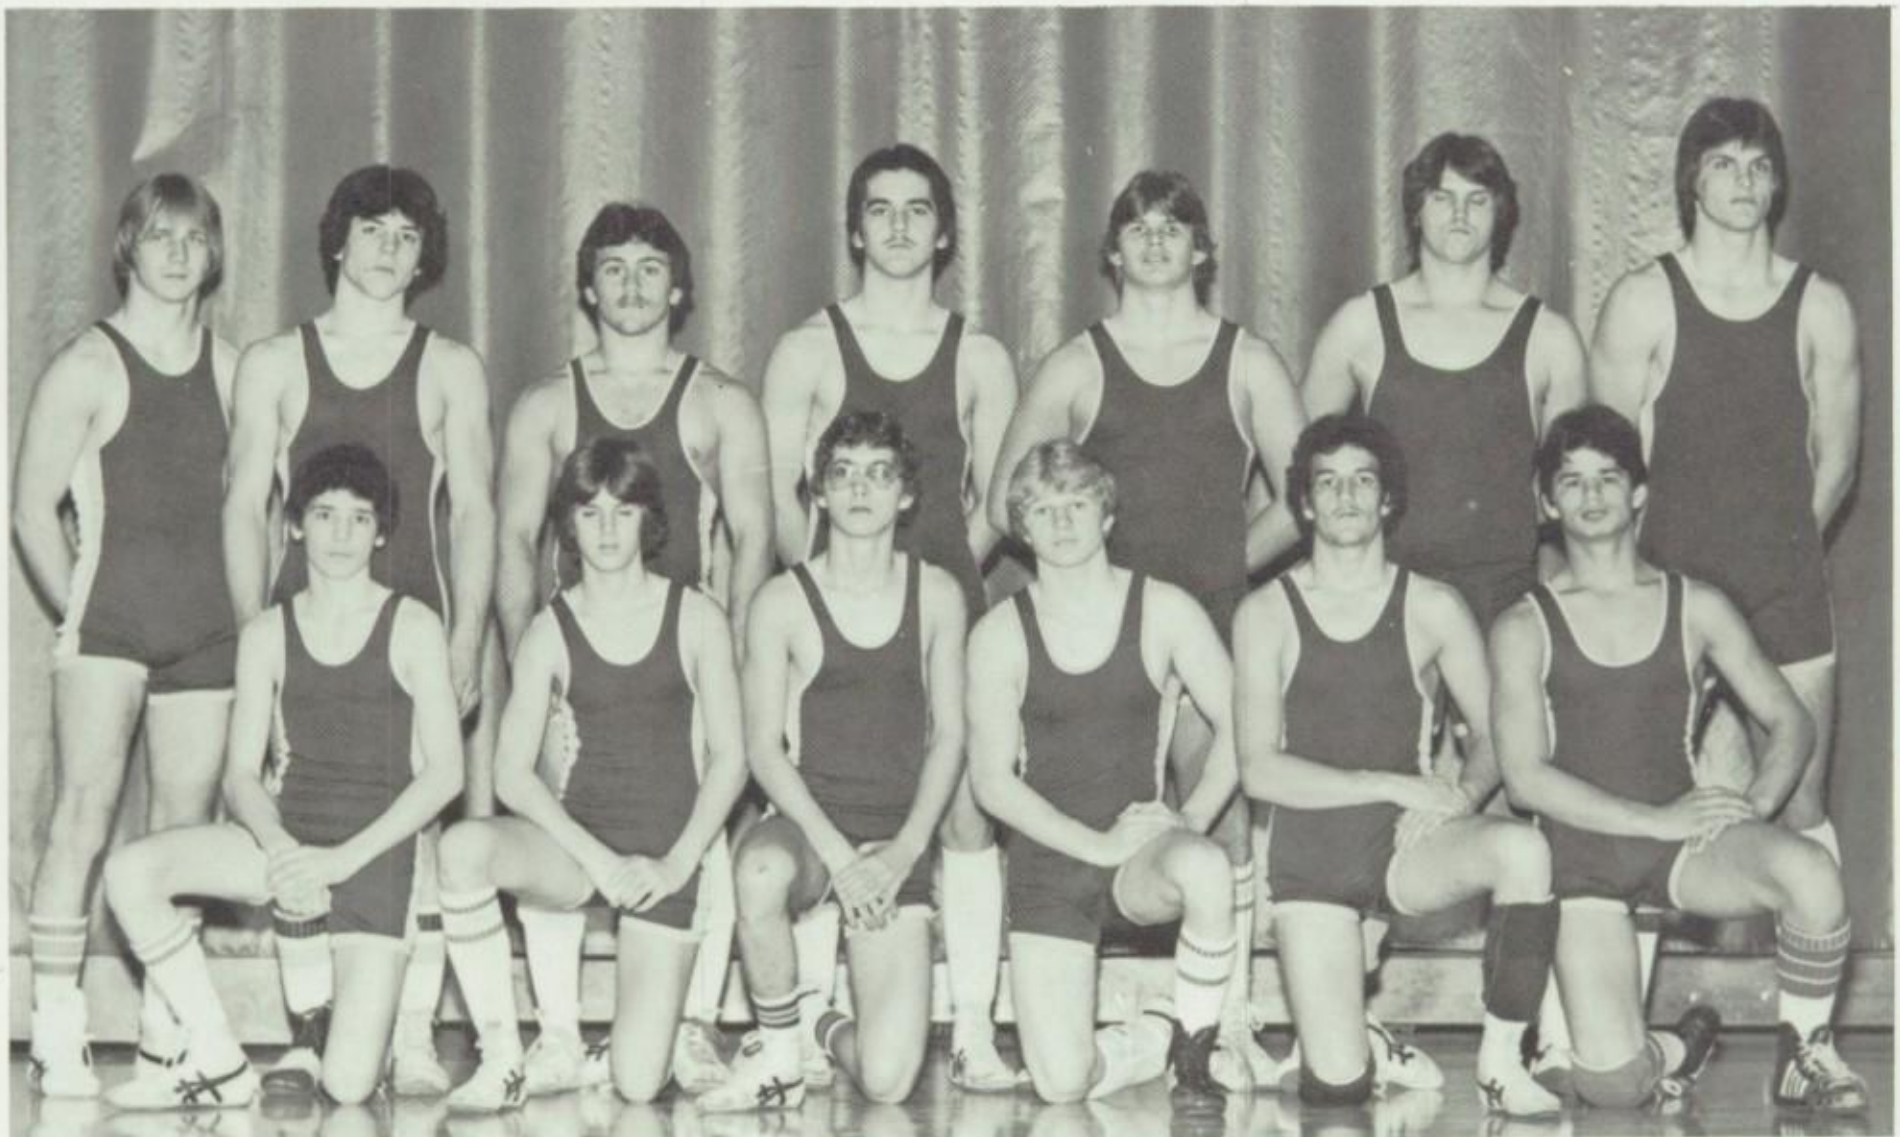

The Streetsboro High varsity wrestling team again made a strong showing in this years PCL competition. The team finished third in the PCL, winning ten out of fourteen games. Coach Larry Marek says that "In spite of the fact that only 3 returning letterman were on the starting 13, this years squad improved steadily . . . this was the seventh year in a row in which the Streetsboro varsity team has won at least ten matches." The junior varsity squad did very well also, compiling an 8-1-1 record for the year, "providing needed experience and depth for next year," says Marek. In terms of individual wrestlers, SHS continues in its tradition of producing good, top-notch athletes. SHS had two All-PCL wrestlers this year, Sal Mendo-

lera and Rick Boardwine, and sent one varsity wrestler to state competition. Gerald McMichael, the sectional and district champ, and the teams most valuable player, came in sixth at state at 145 pounds. He also set the school record for wins in a season with a 31-7 mark. The

old mark was 29 wins. The player with the most take downs was Rick Boardwine with 68, and Rich Walters and Gerald McMichael tied for the players with the most pins at twelve each. The most improved player was Sal Mendolera.

SHS Speedsters Race To 2nd In PCL

Streetsboro's 1982 Track team has been one of the best we've had at SHS in several years. Mr. John Keegan coached the team to second place in the PCL, and four runners to become All-PCL, and sent two boys to State. With a league record of 6-1-1, and an overall record of 8-2-1, the SHS Track team proved to be one of the best in Portage County. All-PCL runners were Roy Swaisgood, Chris Knotek, Dave Mcmillan, and Brian McMillan. State competitors were Roy Swaisgood in the 3200 meter run, and Chris Knotek in the discus. Although Senior Roy Swaisgood, the teams star athlete, is graduating this year, Coach John Keegan says that there are still many fine runners with tremendous potential left on the team. In fact, there were so many good runners on **this** years team that the coach decided to award multiple "Most Valuable Runner" awards. Receiving the "Most Valuable" award in sprinting is Dave McMillan; in field events is Chris Knotek; and in distance running is Roy Swaisgood. Roy was also awarded the "Most Valuable Career Runner" as the best runner SHS has **ever** had.

Girls Track Team Captures Second Place In PCL

The SHS girls track team proved that they're a force to be reckoned with in the PCL, too. Sporting a league record of 5 wins and 4 losses, and an overall record of 7-4, the girls came in second in the PCL. They were led by All-PCL runners Laura Millar, in the hurdles, and Erin Fitzpatrick, in the high and long jumps, who, in all three events, both set league records. The 1981-82 "Most Valuable Runner" was Laura Millar, and a special award, "The Most Valuable Career Runner," was awarded to Gail Sweet. In her four years of high school, Gail has accumulated over 455 points, the most ever accumulated at SHS. Coach Dave Hostetler said that the girls did a very good job this year, and that "this has been the best track team we've had here in ten years." The last time the SHS girls track team made a strong showing in the PCL was in 1972 when they tied for the league title.

The SHS track statisticians: Standing: Mary Breakiron, Marianne Mileski. Middle row: Linda Hilling, Becky Davis, Annette Ihasz. Front row: Jackie Schuttenberg, Terri Hall.

Roy Swaisgood is the best runner Streetsboro High has ever had. This year Roy helped lead the track team to second place in the PCL, and is also an All-PCL Runner for the 3200, 800, and 1600 meter run. As the sectional and regional champion, Roy has set new meet records in the PCL in the 3200 and 800 meter runs, with a time of 9:45.6 and 2:00.9, respectively. Once again SHS's fastest runner went to State competition: this year for both track and cross country, receiving an 8th place in the 3200 and a 9th in Cross Country competition. Roy has been to State a total of three other times in his four years of high school- all for Cross Country. In his freshman year he ran to 30th place, then in his sophomore year a 13th placing, and then in his junior year to a 9th place. His talent hasn't gone unnoticed, either. His name has appeared many times in local newspapers for his numerous accomplishments, and he was selected "Most Valuable" in distance running, and has been given the only "Most Valuable Career Runner" award as the very best runner **ever** at SHS.

Baseball 1982

Spirit Soars High

Although the SHS baseball team didn't do as well as expected this year, the younger players on the squad did gain valuable experience for next year, while the older players had to surmount various obstacles that hindered the team throughout the season. "One of the unexpected drawbacks this year was Tony Tupta's injury to his pitching arm," says Coach Gary Huber. "I was disappointed in the outcome of the season; we anticipated doing better." In terms of individual members on the team, SHS had two All-PCL players: Tony Tupta, outfielder, and Joe Blasiolo, catcher. The 1982 Rookie of the Year was Sam Lewis, and the Leading Hitter, with a batting average of .339, was Don Prince.

Who has better legs? The cheerleaders get some tough competition.

Let's see now-what could I do with this plate of food? Janie Thomas asks as Les Waite wonders nervously.

Dave Rupp Orbiter Artist

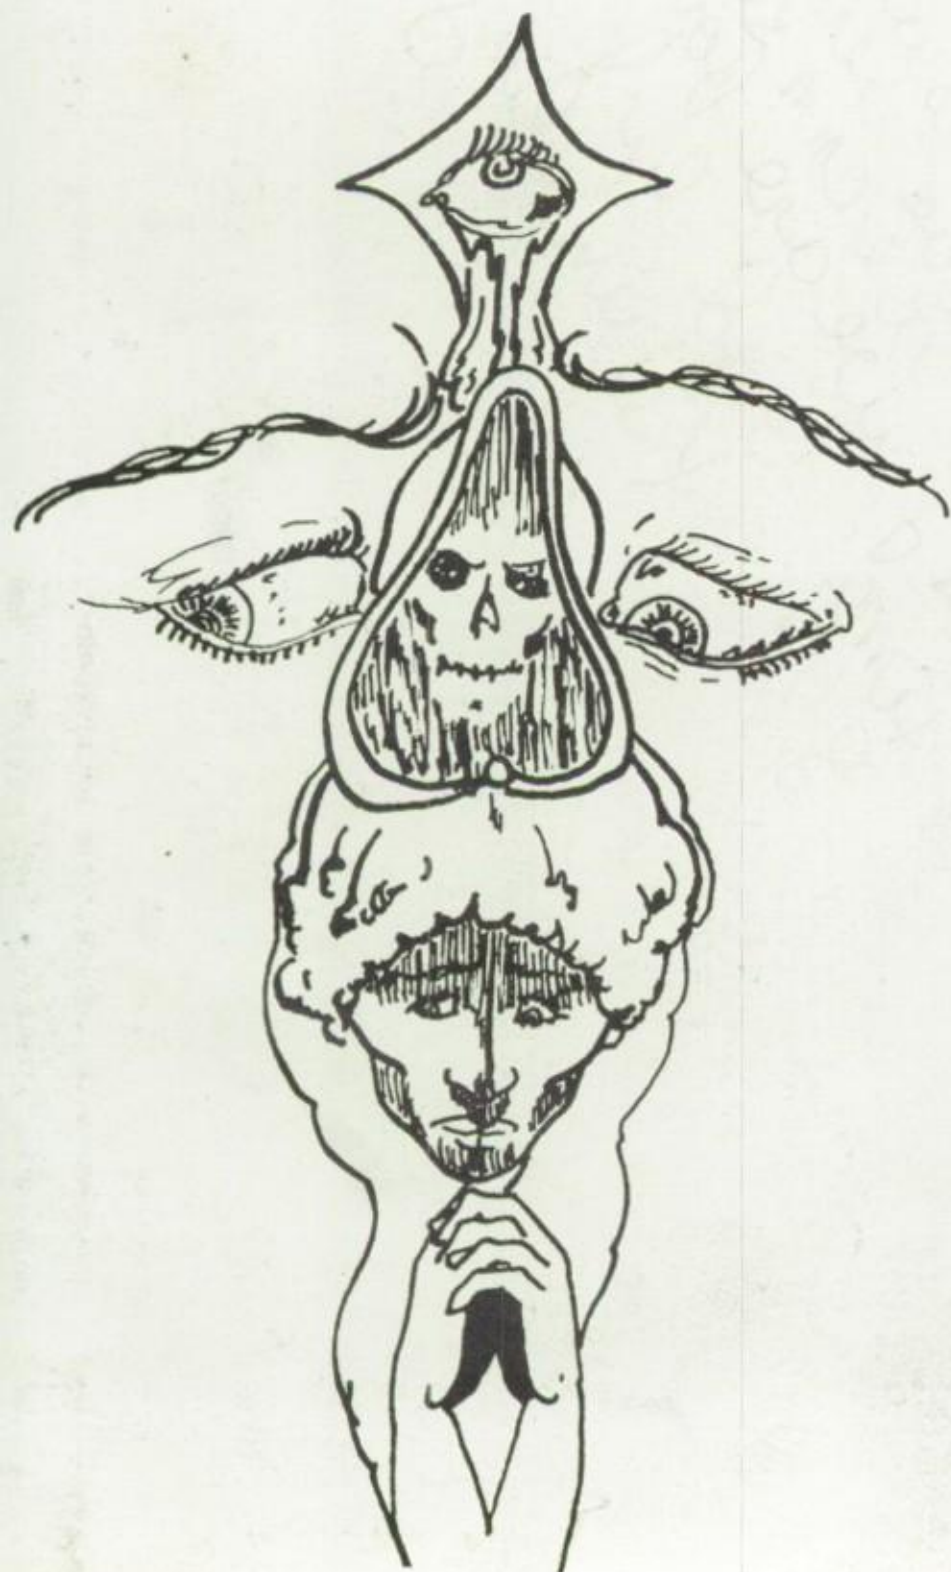

Sophomore Dave Rupp, in his first year on the Orbiter staff, has quickly established himself as a very talented artist. Dave has never had any formal training in art, and doesn't intend to follow a career as an artist, but does say he likes to draw as a hobby. "I've been drawing as long as I can remember," says Dave.

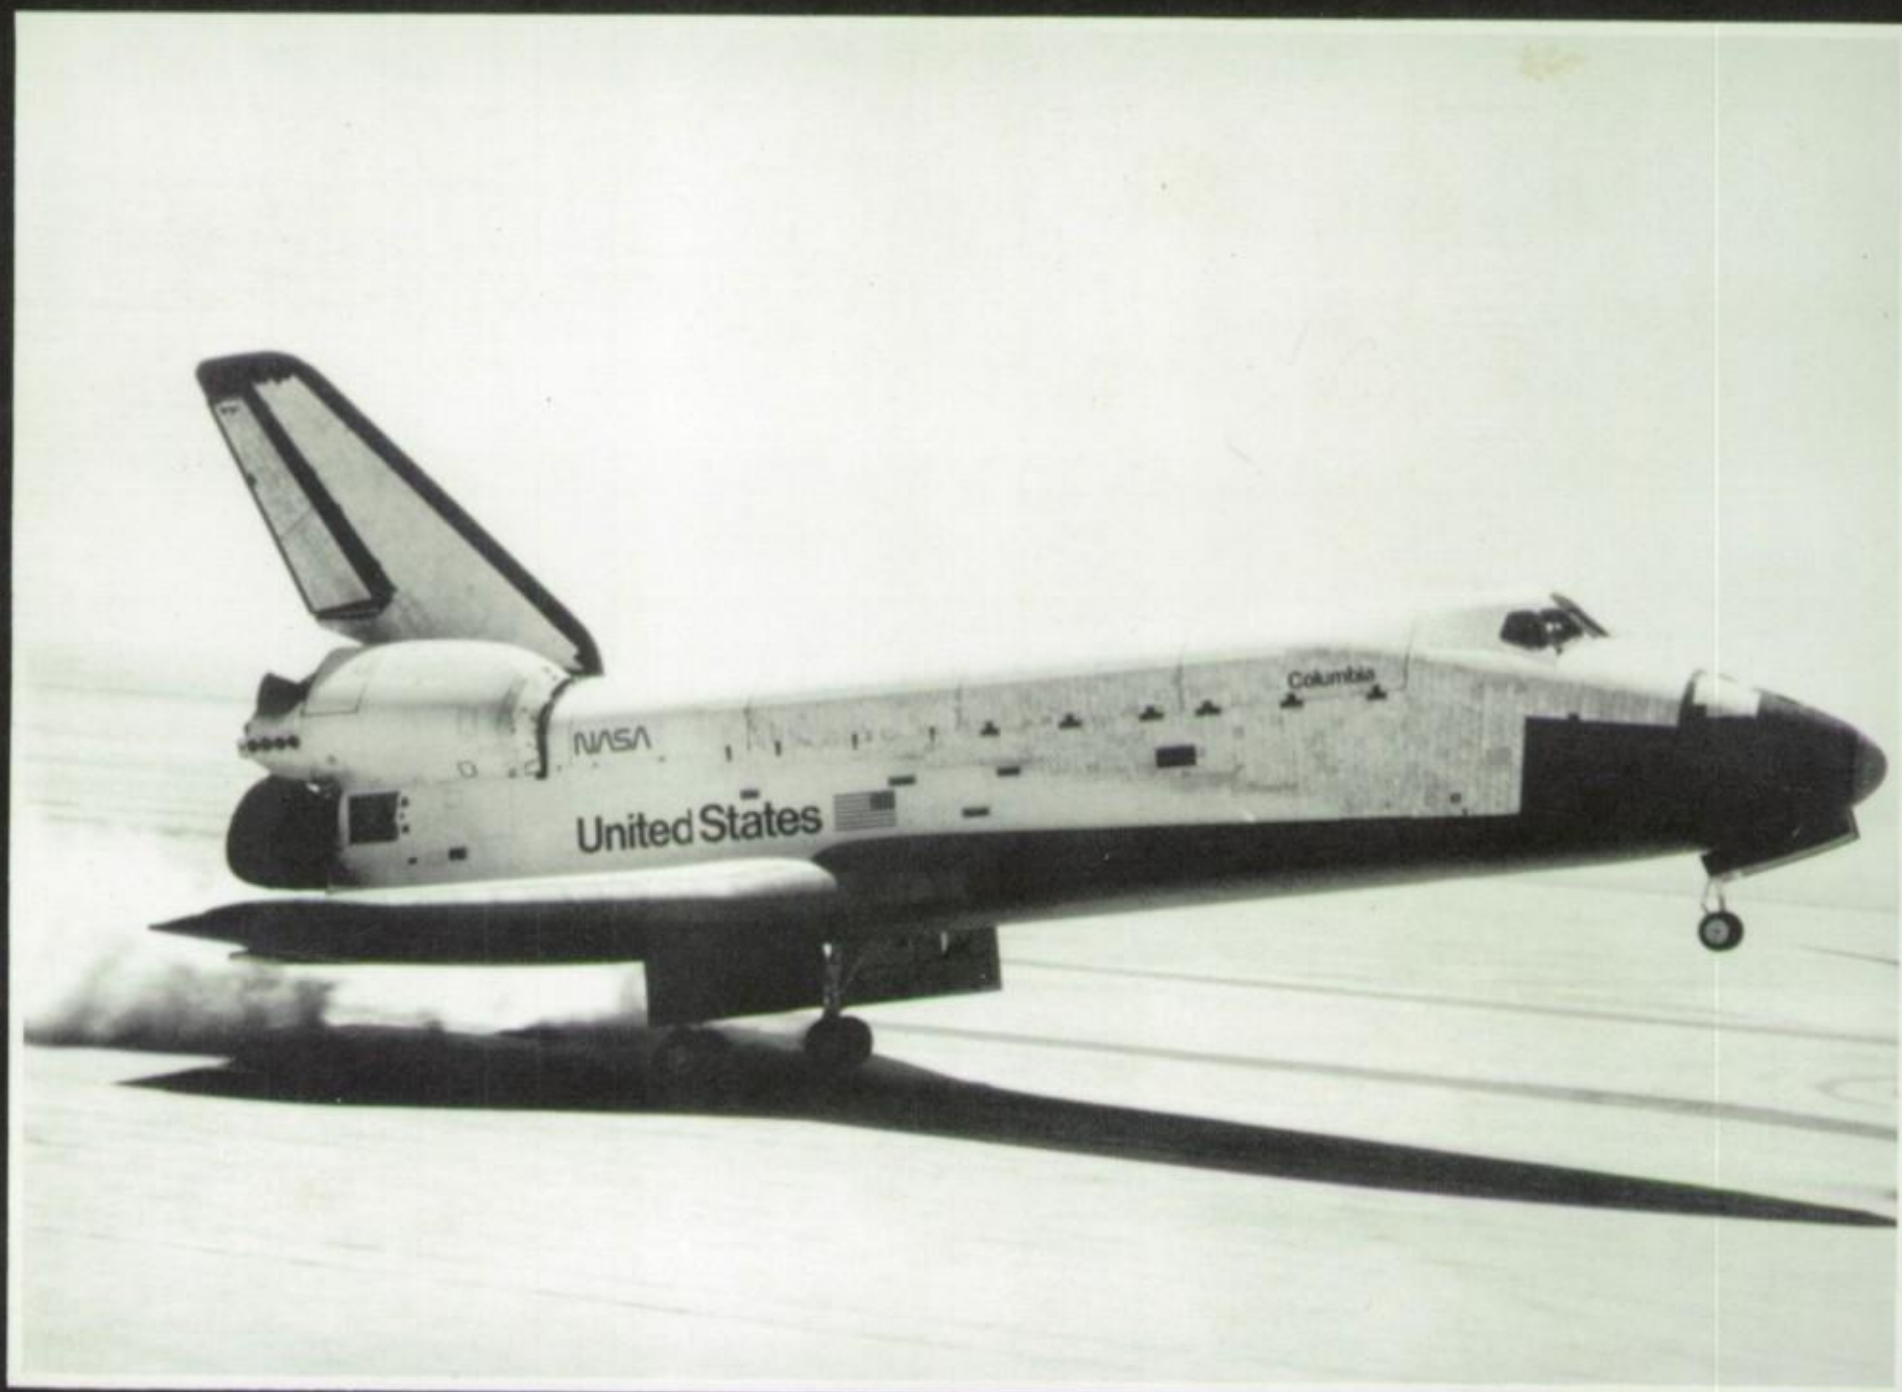

How did Dave become the Orbiter's best known artist? Apparently, Mr. Hostetler, Orbiter advisor, asked to see some of Dave's work. When he saw it, Mr. Hostetler immediately asked him for a cartoon on the air traffic controllers strike. That cartoon, pictured above, not only was Dave's first for the Orbiter, but one of his best, as well: it received the American Scholastic Press Association award for best cartoon in the Orbiter's division.

Ray Veon Golden Key Artist

Up until this year Junior Ray Veon didn't do much artwork for school organizations, contenting himself with his private sketches at home. But, when his talent became known to Mr. Douglass, yearbook advisor, the school became his second home.

Ray got started in art at the age of twelve, when he saw the television version of J.R.R. Tolkien's "The Hobbit." Filled with enthusiasm for the show, he began to draw the characters from the special for his parents. He then read Tolkien's "The Lord of the Rings," and that decided it: he would become an illustrator. Ray has studied anatomy, art theory, and the various movements in art, but has not had any formal training. His work is varied: from cartooning (see Activities) to "serious" drawing (see Sports) to psychological symbolism, seen here (this one, pondering the true meaning of death, entitled "Sadness, or Euphoria?"). Ray's feelings on art are simple: "Art, first and foremost, must please the artist, and then his critics. At the same time however, he must try to keep an open mind."
